

# Meet the TEACHER

Mrs. Cassandra Conn

## Welcome to 2<sup>nd</sup> Grade!

I am pleased to welcome you to the 2024 - 2025 school year! Second grade is going to be a great year full of fun learning topics and activities. For us to have a fun year, my goal for our classroom is to create an effective, safe learning environment. Our classroom will be a space where every child is listened to, valued, and can learn through exploration, working with others, and making mistakes and trying again. I have planned and place great value on effective classroom management practices and routines. It is my hope that during our time as a classroom family this year, we will master a variety of concepts and have fun all at the same time!

## About Me

Hello! I am Mrs. Cassandra Conn and I will be your child's 2<sup>nd</sup> grade teacher this school year. This will be my sixth year as a classroom teacher! I have experience teaching grades 2-8, while also having many volunteer hours working with children of all ages.

I am certified to teach grades Pre-K-6<sup>th</sup> grade all subjects, and 7<sup>th</sup> and 8<sup>th</sup> grade social studies and math. I have a Bachelor's Degree from Waynesburg University in middle level education (grades 4-8), and a Master's Degree from PennWest CALU in Early Childhood Education (Pre-K-3). I have a passion for learning all sorts of things and believe each of my students can experience success in their own way and enjoy learning too!

I truly believe we are all life-long learners, so it is my job to provide the right tools for learning and to use them for the rest of our lives inside and outside the school setting.

## Contact Me

I welcome and value parent involvement throughout the year. I would love to hear from you, and you are welcome to contact me with any questions, comments, or concerns you may have.
