recommended.

Friday, May 31st Early dismissal
from school and summer
vacation begins!

Thank You:

Thank you for all the ways that you supported your child this year! I wish
each child the best as they move on to third grade. Enjoy your summer!

Hospital Room Transformation!

On Wednesday, the second graders are going to get to be doctors! When your child walks into our classroom the room will look like a hospital's operating room.

We will be doing things like main idea x-rays, surgery on contractions, playing the game operation, and cutting and "transplanting" text features!

This is a very fun day and to make it better we get to dress like doctors too! Masks and rubber gloves will be provided so we can truly feel like we are in an operating room. You do not need to send anything for this day, however, if you would like to dress your child in scrubs or send him/her with a stethoscope you are more than welcome to do so. You can get as creative as you would like! This day is a memorable way to close out our school year while still practicing academic content!

These pictures are a little preview as to what the day will look like:
